

## Republic Services Issues Statement in Response to Waste Management's HSR Filing

July 24, 2008

FORT LAUDERDALE, Fla.--(BUSINESS WIRE)--July 24, 2008--Republic Services, Inc. (NYSE: RSG) today issued the following statement in response to the announcement from Waste Management that it had filed Notification and Report Form under the Hart-Scott-Rodino ("HSR") Antitrust Improvements Act of 1976 relating to purchases of shares of Republic Services:

"Waste Management's stated intention to acquire Republic Services common stock, through open market purchases or other transactions, is in support of Waste Management's proposal of July 14, 2008 to acquire Republic at \$34 per share subject to various conditions. That proposal was rejected by the Republic Board of Directors for the reasons set forth in our press release of July 18, 2008. Republic continues to believe that the merger between Republic and Allied will create significant value generating opportunities, including significant cost saving synergies, and is in the best interests of Republic stockholders. Republic notes that Waste can only acquire up to \$63.1 million worth of Republic common stock without first receiving antitrust clearance from the federal government. While Republic is aware of our fiduciary duties and will respond to Waste's antitrust notices as appropriate, Republic will continue to guard against opportunistic attempts to disrupt our strategic plans through open market activity or otherwise."
