"At Republic, we understand it can be overwhelming when trying to recycle the right way or make a meaningful impact to help the environment," said Pete Keller, vice president of recycling and sustainability at Republic Services. "But no act is ever too small. This month and throughout the year, we encourage our customers and the communities we serve to pledge to do one more thing to make a lasting environmental impact."

This year, Republic is encouraging everyone to:

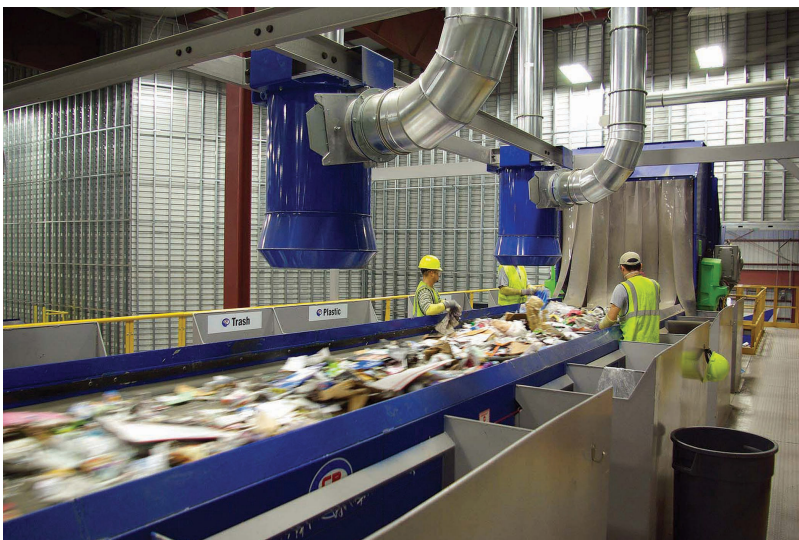

- **Practice better recycling** by making sure your recyclables are **EMPTY** of their contents, **CLEAN** of any residue and **DRY** before placing them in a recycling container.
- **Learn about electronics recycling solutions** to help ensure obsolete electronics are recycled safely, completely and responsibly.
- **Encourage the recycling of universal waste at work** to help your employer meet compliance requirements for items such as batteries, bulbs and ballasts, which should not be thrown away with regular waste.

What's your **#1MorePledge**? Visit 1MorePledge.com to take the **#1MorePledge** today.
