

## Republic Services Among 3BL Media's 100 Best Corporate Citizens for Second Consecutive Year

May 20, 2021

### Ranking Recognizes Company's ESG Leadership

PHOENIX, May 20, 2021 /PRNewswire/ -- Republic Services, Inc. (NYSE: RSG) has been named to 3BL Media's 100 Best Corporate Citizens of 2021 ranking, recognizing outstanding environmental, social and governance (ESG) transparency and performance among the 1,000 largest U.S. public companies. This is the second consecutive year Republic has received this recognition.

"Sustainability, people and ethics are at the heart of everything we do at Republic, and we are honored to be recognized for our leadership in these areas for the second year in a row," said Don Slager, chief executive officer. "Our sustainability goals and practices are integrated into our business strategy as well as our long-term financial targets. Most importantly, our 35,000 team members are united in support of each other every day, as we safely and reliably serve our customers and communities, and responsibly steward our resources."

In addition to making progress toward the Company's ambitious 2030 sustainability goals in 2020, Republic launched Committed to Serve, a more than \$30 million initiative supporting communities and frontline employees.

The 100 Best Corporate Citizens ranking is based on 146 ESG transparency and performance indicators in eight categories, including climate change, employee relations, environment, finance, governance, human rights, stakeholders and society, and ESG performance, and is based on publicly available information.

"Achieving the transformational targets in the Paris Agreement and U.N. Sustainable Development Goals in this decade requires all companies truly embed ESG issues into the core of their business," said Dave Armon, CEO of 3BL Media. "The best corporate citizens of 2021 are answering the call by demonstrating the societal and bottom-line value of leadership and transparency around ESG topics. They are setting ambitious goals, outlining robust strategies for achieving them, disclosing data to measure progress, and accounting for all stakeholders in business decisions."

Republic Services has received other notable third-party recognition over the last year, including Fortune's 2021 World's Most Admired Companies, Barron's 2021 100 Most Sustainable Companies and Forbes' 2020 Best Employers for Women, and is certified as a Great Place to Work.
