PHOENIX, March 22, 2023 /PRNewswire/ -- Republic Services, Inc. (NYSE: RSG) and the Republic Services Charitable Foundation today announced the 12 organizations receiving 2023 National Neighborhood Promise® grants. The Foundation's National Neighborhood Promise Program aims to revitalize communities and the quality of life of residents through volunteer projects, monetary donations and in-kind services. This year, a total of \$2.5 million will be awarded to 12 nonprofit organizations making a lasting difference in local neighborhoods.

"At its core, our business is about keeping local communities clean and strong. Through the Republic Services Charitable Foundation, we can make an even greater impact by supporting local organizations dedicated to neighborhood revitalization," said Jon Vander Ark, president and chief executive officer, Republic Services. Each grant is tailored to meet a specific community need, from much-needed facility repairs and improvements – including the construction of a computer lab and fitness center – to equipment purchases and neighborhood cleanup programs.
