

Republic Services Again Named to Dow Jones Sustainability World and North America Indices

January 10, 2025 2:04 PM EST

PHOENIX, Jan. 10, 2025 /PRNewswire/ -- For the ninth consecutive year, Republic Services, Inc. (NYSE: RSG), a leader in the environmental services industry, has been named to the Dow Jones Sustainability Indices (DJSI), which represent best-in-class sustainability benchmarks for the world's leading companies. Republic Services ranked first in its industry on the North America Index and is the only North American company in its industry to be included on the World Index.

"Our consistent inclusion on the Dow Jones Sustainability Indices reflects our commitment to transform circularity and advance decarbonization," said Jon Vander Ark, president and chief executive officer. "Our initiatives drive value for our stakeholders while helping our customers achieve their sustainability goals."

Inclusion on the DJSI Indices is based on the S&P Global Corporate Sustainability Assessment. The 2024 DJSI World Index represents the top 10% of the largest 2,500 companies globally, and the DJSI North America Index represents the top 20% of the 600 largest North American companies. Republic Services' consistent presence on these prestigious indices underscores the company's dedication to sustainable practices and corporate transparency.

Republic Services continues to make meaningful progress toward its ambitious 2030 Sustainability Goals. As of 2023, the company has reduced operational GHG emissions by 15% compared to the 2017 baseline, surpassing its interim target of 10% reduction by 2025.
