## **REPUBLIC SERVICES, INC. TO INCREASE DIVIDEND BY 17 PERCENT**

**Fort Lauderdale, Fla., July 27, 2005** – Republic Services, Inc. (NYSE: RSG) announced today that its Board of Directors has decided to increase the regular quarterly dividend program by 17 percent — from \$0.12 per share to \$0.14 per share.

Commenting on this action, the Company’s Chairman and Chief Executive Officer, James E. O’Connor, said, “I continue to be pleased with the Company’s focus on operating fundamentals and the generation of predictable levels of free cash flow. Our Board of Directors believes that it is extremely important for our shareholders to benefit from the Company’s success through this increase in our dividend program.”

### **Company Declares Quarterly Dividend**

Republic’s Board of Directors declared the regular quarterly dividend of \$0.14 per share for shareholders of record on October 3, 2005. The dividend will be paid on October 17, 2005.

Republic Services, Inc. is a leading provider of solid waste collection, transfer and disposal services in the United States. The Company’s operating units are focused on providing solid waste services for commercial, industrial, municipal and residential customers.

Certain statements and information included herein constitute “forward-looking statements” within the meaning of the Federal Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance, or achievements of the Company to be materially different from any future results, performance, or achievements expressed or implied in or by such forward-looking statements. Such factors include, among other things, whether the Company’s estimates and assumptions concerning its selected balance sheet accounts, final capping, closure, post-closure and remediation costs, available airspace, and projected costs and expenses related to the Company’s landfills and property and equipment, and labor, fuel rates and economic and inflationary trends, turn out to be correct or appropriate, and various factors that will impact the actual business and financial performance of the Company such as competition and demand for services in the solid waste industry; the Company’s ability to manage growth; compliance with, and future changes in, environmental regulations; the Company’s ability to obtain approval from regulatory agencies in connection with expansions at the Company’s landfills; the ability to obtain financing on acceptable terms to finance the Company’s operations and growth strategy and for the Company to operate within the limitations imposed by financing arrangements; the ability of the Company to repurchase common stock at prices that are accretive to earnings per share; the Company’s dependence on key personnel; general economic and market conditions including, but not limited to, inflation and changes in commodity pricing, fuel, labor and other variable costs that are generally not within the control of the Company; dependence on large, long-term collection contracts; dependence on acquisitions for growth; risks associated with undisclosed liabilities of acquired businesses; risks associated with pending legal proceedings; and other factors contained in the Company’s filings with the Securities and Exchange Commission.
