August 2023

Forward Looking Statements

Certain statements and information included herein constitute "forward-looking statements" within the meaning of the Federal Private Securities Litigation Reform Act of 1995, including statements with respect to our anticipated 2023 financial results. Words such as "will," "expect," "anticipate," "estimate," "guidance" and similar words and phrases are used in this presentation to identify the forward-looking statements. These forward-looking statements, although based on assumptions that we consider reasonable, are subject to risks and uncertainties that could cause actual results, events or conditions to differ materially from those expressed or implied by the forward-looking statements. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we can give no assurance that the expectations will prove to be correct. Other factors which could materially affect our forward-looking statements can be found in our periodic reports filed with the Securities and Exchange Commission. Stockholders, potential investors and other readers are urged to consider these factors carefully in evaluating our forward-looking statements and are cautioned not to place undue reliance on forward-looking statements. The forward-looking statements made herein are only made as of the date of this presentation, and except as required by law, we undertake no obligation to publicly update these forward-looking statements to reflect subsequent events or circumstances.

Investment Thesis

National vertically integrated operations and high-quality asset base

Focused on customer needs and sustainability to drive profitable growth

Advancing use of technology to differentiate service offerings and drive operational efficiencies

Resilient business that benefits in a strengthening economy

Consistent earnings and free cash flow growth

Overview

Market

Provide essential services in a **\$107 billion** environmental services industry

Continued opportunity for consolidation to drive growth and build scale

Republic Services

Strong and predictable free cash flow

National footprint with diversified exposure to franchise, large urban and small to mid-sized markets

80% Approximately 80% of revenue has an annuity-type profile

Business Foundation

Market Position

Goal to obtain a leading market position in the markets where we operate

Recycling and solid waste operations are vertically integrated in **90%** of the markets in which we operate

Complete set of products and service offerings

Operating Model

Standardized processes to deliver operational excellence

Matrix Organization;
196 Business Units¹ with individual P&Ls

Safety performance **35% better** than industry average

Talent

Attracting and retaining the best talent

High employee engagement score of **86**

Culture of inclusion and diversity;
47% ethnically diverse

Robust learning and development programs

¹ Includes 165 Recycling & Solid Waste Business Units and 31 Environmental Solutions Business Units
Data as of 6/30/2023

Strategy

Designed to generate profitable growth by partnering with customers to create a more sustainable world

Differentiating Capabilities

CUSTOMER ZEAL

Drive customer loyalty by offering differentiated products and services specifically designed to meet our customers' needs

Offering a complete set of products and services

DIGITAL

Provide a consistent experience across our business while enabling customers to do business with us the way they prefer

RISE tablets implemented across fleet

SUSTAINABILITY

Provide customers with sustainable solutions that support a cleaner, safer and healthier world

Ambitious 2030 Sustainability Goals

Financial Performance

Where to Compete

Focusing on growth opportunities in our most profitable lines of business

Continue to expand addressable market with our differentiated capabilities

Recycling and Solid Waste

Prioritize investment in verticals with above average growth rates and higher return profiles

Environmental Solutions

Higher growth opportunity
Focused on industrial and manufacturing sectors

Current Addressable Market

Based on management estimates

Customer Zeal

Customer centric culture with short and long-term initiatives to win with customers and drive loyalty

- Seamless sales and service resolution
- Complete set of product and service offerings
- Setting and exceeding customer expectations
- Empowering employees to deliver with zeal
- Expect to drive significant value by **increasing customer retention and attracting new business**

Customer satisfaction
measured by NPS

94%

Customer retention rate

Embedded in GM
compensation plans

Digital

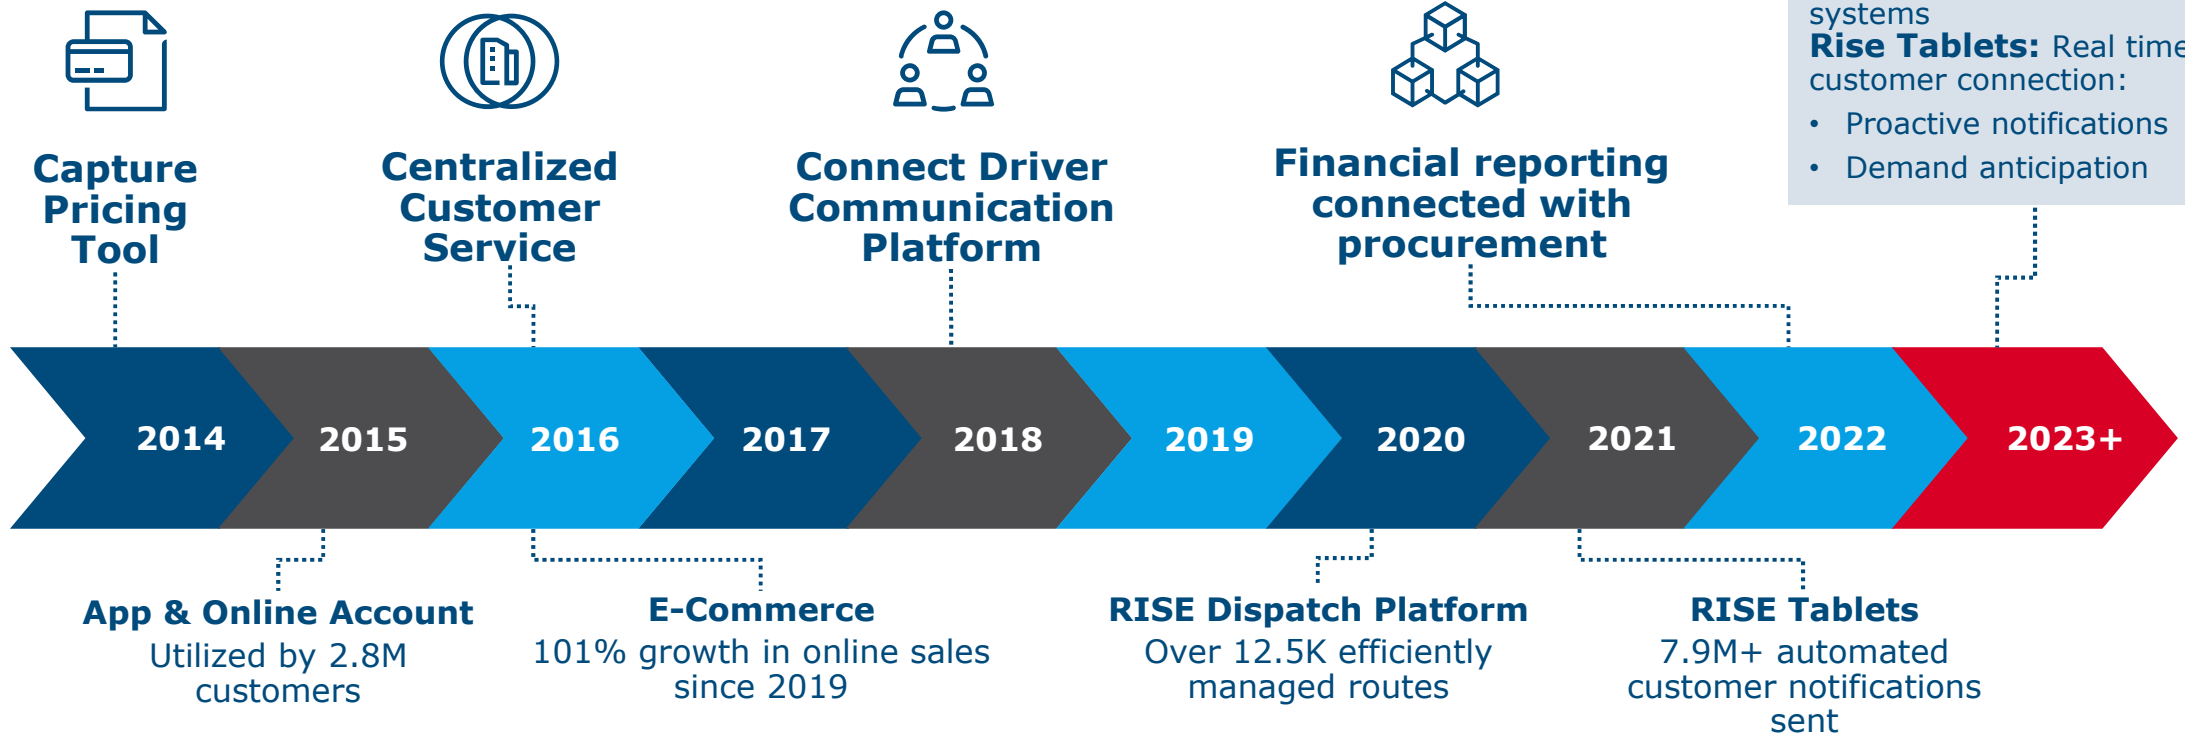

Using technology to differentiate service offerings with customers and drive operational efficiencies

System Modernization

Core Systems: Connecting our employees with modern systems

Rise Tablets: Real time customer connection:

- Proactive notifications
- Demand anticipation

Sustainability

Driving profitable growth by providing customers with environmentally responsible solutions

115M

Tons of material handled annually

20%

Of fleet powered by natural gas and working with multiple partners on EV technology

74

Operate 74 recycling centers

73

Landfill gas & renewable energy projects

2B

Pounds of organic waste processed at 12 compost facilities

Ambitious 2030 sustainability goals aligned with the United Nations' Sustainable Development Goals

2030 Climate Leadership Goals:

35%

Reduce absolute Scope 1 and 2 greenhouse gas emissions 35%
APPROVED BY SBTi

10% Interim reduction target by 2025

40%

Increase recovery of key materials by 40% on a combined basis

50%

Increase biogas sent to beneficial reuse by 50%

2017 Baseline Year

Capital Allocation

Efficient and balanced approach to cash utilization which drives shareholder value

- **\$5.2 billion invested** in acquisitions over last 3 years
- **Increased annual dividend** for 20 consecutive years
- **\$2.2 billion cash returned** to shareholders over last 3 years

- Continue balanced approach to capital allocation
- Accelerated M&A

Data as of 06/30/2023

Recycling & Solid Waste

Providing customers with sustainable solutions that support a cleaner, safer and healthier world

Provide safe, high-quality service that supports customer sustainability goals

Vertically integrated to compete effectively across the nation

Strong internalization, controlling material stream from collection to recycling & disposal

Prioritize investments in market verticals with above average growth rates

Leadership position in electric technology innovation for collection fleet

Environmental Solutions

Expanding capabilities to provide customers a complete set of products and services

Customers desire a single provider for all environmental services needs

Vertically integrated platform serving North America

Leading market position with strategic infrastructure network

Cross-selling a complete set of products and services

Operating synergy and organic growth drives margin improvement

Financial Overview

Financial Guidance

2023 Guidance

Revenue

\$14.775 - \$14.850 billion

Adjusted EBITDA¹

\$4.340 - \$4.360 billion

Adjusted Diluted EPS¹

\$5.33 - \$5.38

Adjusted Free Cash Flow¹

\$1,900 - \$1,925 million

Average Yield

~6.0% Total Revenue / ~7.0% Related Revenue

Revenue By Market Type

Balanced portfolio across market types

Franchise	24%	<ul style="list-style-type: none">• Sole service provider• Long-term contracts• Optimal operating density
Small & Mid-Sized	30%	<ul style="list-style-type: none">• Market leader• Vertical integration• Strong operating density
Large Urban	35%	<ul style="list-style-type: none">• Vertical integration• More competitive
Environmental Solutions	11%	<ul style="list-style-type: none">• Above average growth rate• Cross-selling opportunity

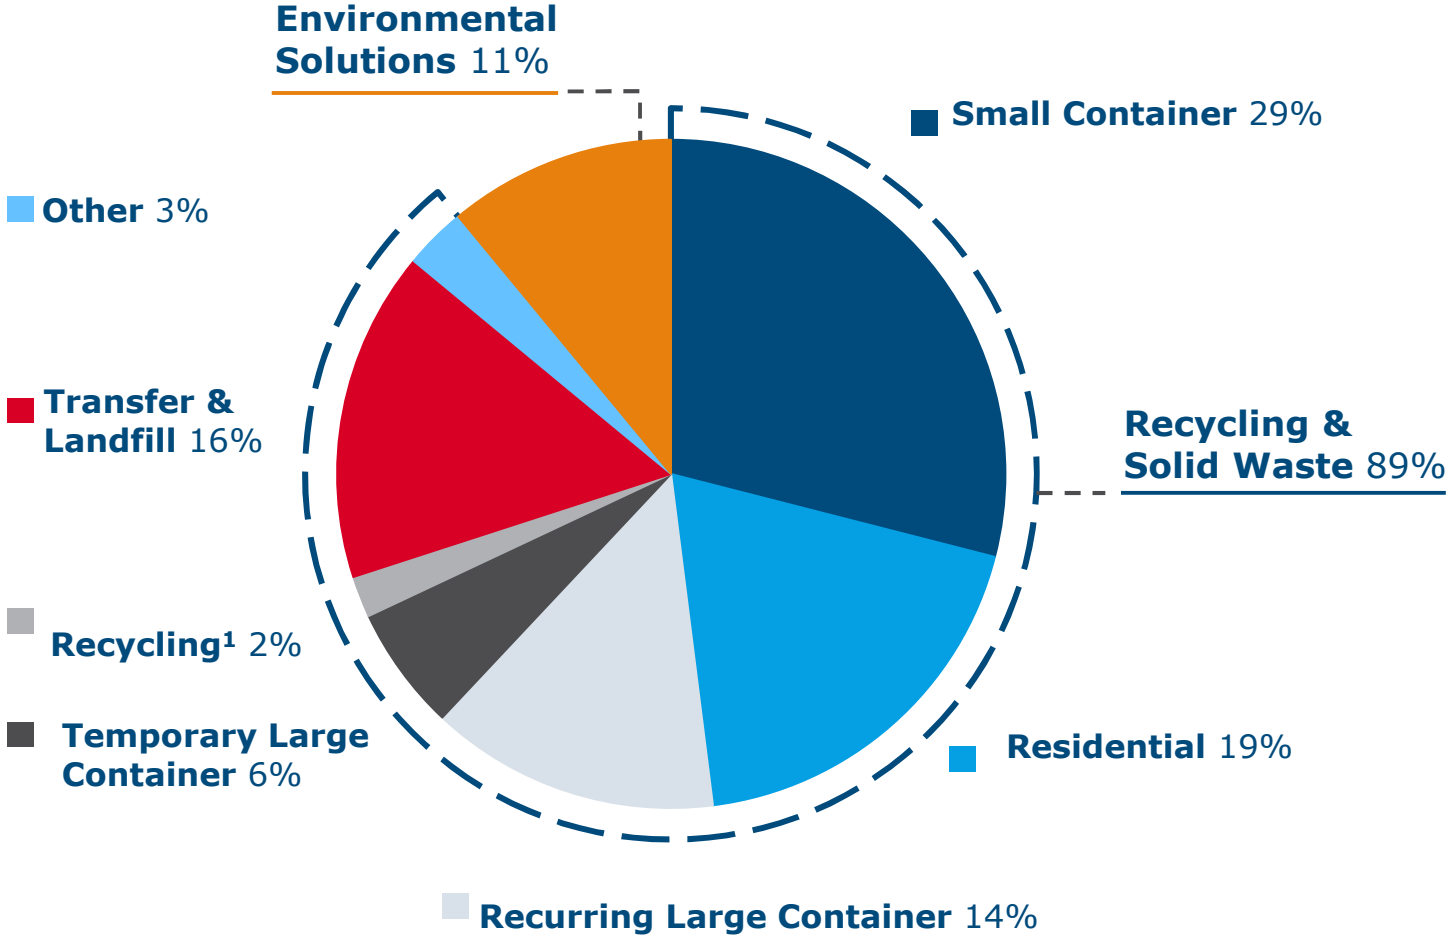

Revenue By Line of Business

80%

Approximately 80% of revenue has an annuity-type profile

70%

Collection business represents ~70% of total revenue

¹ Recycling includes recycling processing and commodity sales

Pricing Trends

OPEN MARKET (55%)

- Secure price increases directly with customer
- Greater pricing power

6.7% Core Price in 2022¹

RESTRICTED PRICING (45%)

Converting CPI based contracts to an alternative index² or a fixed rate of 4% or greater which better reflects our costs

55% Converted

Pricing Mechanism

Pricing Trends¹

¹Core price & yield on total revenue

²Alternative Index includes Water/Sewer/Trash and Garbage/Trash
Data as of 6/30/23, Recycling and solid waste only

Volume Trends

Volume driven by:

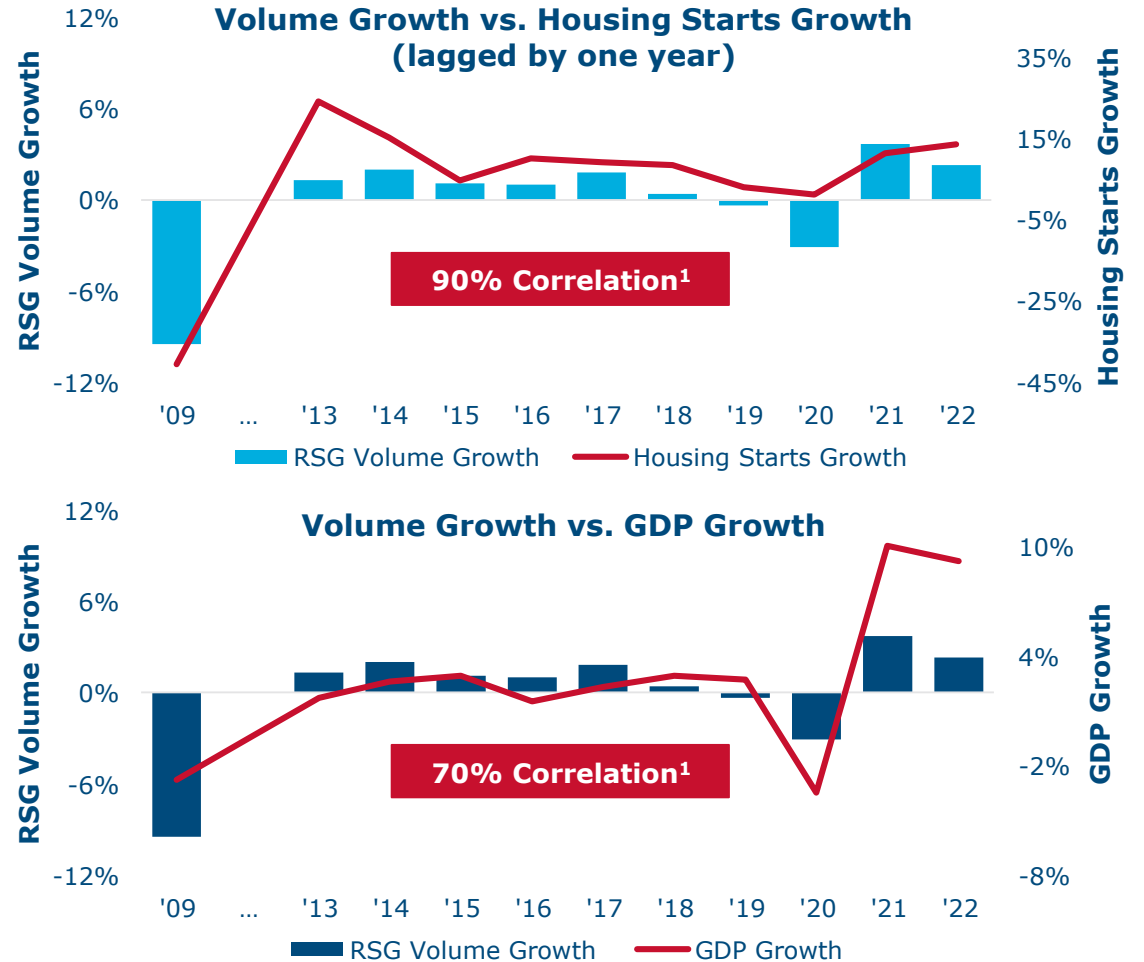

- Population growth
- Household formation
- New business formation

Resilient during a downturn

Highly correlated to housing starts

¹ Correlation excludes 2020 results
Recycling and solid waste only

Acquisition Growth

Tuck-in acquisitions experience significant synergy capture within first year

Expand our footprint and capabilities

Dedicated M&A team has built a robust pipeline

Acquisition Investment

Debt & Liquidity

Investment grade credit rating

Average cash interest rate of 3.6%

Total liquidity of \$2.1 billion

(\$ in millions)

Credit Facilities include outstanding balances on revolving credit facilities and commercial paper program
Data as of 6/30/23

Tax Related Expense

Equivalent Tax Impact

- Includes tax provision and non-cash charges² associated with solar investments
- 2022 non-cash solar charge of \$158M
- Expect long term equivalent tax impact of 27%

Cash Tax

- Bonus depreciation benefit begins to phase out in 2023

Equivalent Tax Impact¹

Cash Taxes³

¹ Includes both the effective tax rate for income tax provision included in adjusted earnings per 8K filings and the non-cash solar charge

² Charge recorded in the "Loss from unconsolidated equity method investment" on the Income Statement

³ Represents adjusted cash taxes included in adjusted free cash flow per 8K filings

Appendix

EPS

Reconciliation of Non-GAAP Measures	FY 2020	FY 2021	FY 2022
